

2020 – Challenge Camp After School Fall Workshops

For those of you that are new to Challenge Camp, here are tips for understanding our Fall After School Course Catalog:

- 1) All Fall After School **classes meet once a week for 10 Weeks**. Unless otherwise noted, the classes scheduled for 4:00 and 5:00 meet for a period lasting 50 minutes and the classes that are scheduled for 4:30 meet for a period lasting 80 minutes.
- 2) We use camper's **CURRENT GRADE as of September 2020** for class selection.
- 3) There are over 80 STEM & Arts Enrichment Options for you to customize a schedule based on your child's interests. **To streamline the process, we highly recommend referring to the course selection charts to guide you to the grade level appropriate classes** for each day and time slot.
- 4) The instructors will use the Google Classroom page to post supply lists and any software or apps that your camper will need to install to participate in the selected enrichment activities. **Parents are responsible for ordering supplies in advance of the session**. We encourage you to order sooner as delivery and shipping times now are unpredictable.
- 5) Certain courses may have a materials fee listed. These are for class kits or projects. **Where possible, we are working on making arrangements with vendors to ship items directly to you and included this in the listed material fee**. However, there still may be additional supplies required by the instructor. For classes with significant projects, like Drone Flight School **we have listed an estimated fee. We are trying to expedite the logistics where possible, but may have you place the order directly with the vendor**.
- 6) If you need assistance or have any questions, please email info@challengecamps.com or call the office 914-779-6024.
