

Challenge Camp After School Winter Workshops 2021

For those of you that are new to Challenge Camp, here are **tips for understanding our Winter After School Course Catalog:**

- 1) **Our Winter After School classes meet once a week for 10 Weeks starting the week of January 18th.** Unless otherwise noted, the classes scheduled for 4:00 and 5:00 meet for a period lasting 60 minutes and the classes that are scheduled for 4:30 meet for a period lasting 90 minutes.
- 2) We use student's **CURRENT GRADE as of September 2020** for class selection.
- 3) There are over 40 STEM & Arts Enrichment Options for you to customize a schedule based on your child's interests. **To streamline the process, we highly recommend referring to the course selection charts to guide you to the grade level appropriate classes** for each day and time slot.
- 4) The instructors will use the Google Classroom page to post supply lists and any software or apps that your student will need to install to participate in the selected enrichment activities. **Parents are responsible for ordering supplies in advance of the session.** We encourage you to order sooner as delivery and shipping times now are unpredictable.
- 5) Certain courses may have a materials fee listed. These are for class kits or projects. **Where possible, we are working on making arrangements with vendors to ship items directly to you and included this in the listed material fee.** However, there still may be additional supplies required by the instructor. For classes with significant projects, like Drone Flight School **we have listed an estimated fee. We are trying to expedite the logistics where possible, but we may ask you to place the order directly with the vendor.**
- 6) If you need assistance or have any questions, please email info@challengecamps.com or call the office 914-779-6024.
